Happy Holidays

Stop Looking!
Here's the Perfect Gift - Offered to Nabb Research Center Members Only!
Looking for something unique for someone special on your holiday gift list?
Look no further!

A year-long subscription to the Nabb Research Center's *Shoreline* magazine will be appreciated—and enjoyed—all year long by anyone who loves history, education and anything about Delmarva. And, at only $15 a year, this twice-yearly, carefully illustrated and well-written publication is both a thoughtful gift and a great value at $5 off the regular cover price for both issues. It's also an inexpensive way to interest your friends and loved ones in a passion you enjoy.

We will send you a gift card so that you may notify the recipient of your gift of a subscription to our magazine and, if you wish, include a personal message.

Offer is available through December 12. Payments received after December 12 cannot be processed as the Nabb Research Center is closed for Winter Break beginning December 15.

We're grateful for your support as a member of the Nabb Research Center and we hope you'll take advantage of this opportunity to share our interesting magazine with those you love.

P.S. In addition to providing a great holiday surprise to someone you care about, your name will be recorded in our supporting donor column as well as the member column of *Shoreline* with every paid subscription.
So, stop looking: You've clearly found the perfect gift!

For questions about this offer, contact the Nabb Research Center at rcdhac@salisbury.edu ("magazine" in the subject box) or toll-free at 800-543-0148, ext. 36312.

Delaware Vital Records on Microfilm

For those patrons conducting research in Delaware records, the Nabb Research Center has acquired microfilm of vital records from the Delaware State Archives. These records include Death Index Cards (circa 1861-1910), Marriage Index Cards for both males and females (circa 1847-1911), the Register of Marriages for Sussex County (1848-1911) and Kent County (1847-1881), and the Index to Marriage Application for Sussex County (1911-1961). Both the Death Index Cards and the Marriage Index Cards cover the entire state. These records will save many the hour drive to Dover and will be a great benefit for researchers.
